# GETTING STARTED.

1

## UNDERSTAND VISA AND COURSE ENTRY REQUIREMENTS

The first thing you will need to do is to choose a course that is going to help you achieve your career goals, and make sure you meet the entry and visa requirements. For our Diploma courses, you must have completed high school and you will need to achieve a minimum score of 5.5 on your IELTS (Academic), 42 on your PTE (Academic), or its equivalent.

## CHOOSE YOUR COURSE AND ENROL

Enrol into the course of your choice, provide the required documentation (such as a notarised copy of your passport, academic qualifications, and your English Academic test).

2

## CONFIRMATION OF ENROLMENT AND OSHC

3

If you are accepted into the course, you will receive a Letter of Offer and Student Acceptance Agreement which you will need to complete, sign and return to us. If you are accepting admission, you will also need to purchase your Overseas Student Health Cover (OSHC). If you are an OFFSHORE student, you will then have to complete the GTE requirements, only after which you may remit the initial deposit. Once we receive your Acceptance of Offer back together with your initial deposit and proof of your OSHC policy information, you will be issued with your Confirmation of Enrolment (eCOE).

## APPLY FOR YOUR STUDENT VISA

Compile all the documents required to lodge your student visa application - you may engage an agent to lodge a visa for you, or you may lodge it yourself in person or online. The processing times may vary so we recommend you lodging your student visa application as soon as you receive your eCOE.
